The 2018 Annual Meeting of Stockholders (the "Annual Meeting") of eMagin Corporation ("eMagin" or the "Company") will be held at the offices of Goodwin Procter LLP at The New York Times Building, 620 Eighth Avenue, New York, New York 10018, on Thursday, June 13, 2018, at 9:00 a.m. Eastern Time, to consider the following proposals:

1. To elect the seven director nominees named in the Proxy Statement to hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified;
2. To ratify the appointment of RSM US LLP as the Company's independent auditors for the fiscal year ending December 31, 2018;
3. To conduct a non-binding, advisory vote to approve the compensation of our named executive officers;
4. To conduct a non-binding, advisory vote on the frequency of future non-binding advisory votes to approve the compensation of our named executive officers; and
5. To act on such other matters as may properly come before the meeting or any adjournment thereof.

BECAUSE OF THE SIGNIFICANCE OF THESE PROPOSALS TO THE COMPANY AND ITS STOCKHOLDERS, IT IS VITAL THAT EVERY STOCKHOLDER VOTE AT THE ANNUAL MEETING IN PERSON OR BY PROXY.

These proposals are fully set forth in the accompanying Proxy Statement which you are urged to read thoroughly. For the reasons set forth in the Proxy Statement, your Board of Directors recommends a vote "FOR" Proposals 1 – 3 and a vote for "EVERY YEAR" on Proposal 4. A list of all stockholders entitled to vote at the Annual Meeting will be available at the principal office of the Company during usual business hours for examination by any stockholder for any purpose germane to the Annual Meeting for 10 days prior to the date thereof. Stockholders are cordially invited to attend the Annual Meeting. If you plan to attend the Annual Meeting in person, please be sure to bring your proxy card and photo identification. However, whether or not you plan to attend the meeting in person, your shares should be represented and voted. After reading the enclosed Proxy Statement, please sign, date, and return promptly the enclosed Proxy in the accompanying postpaid envelope we have provided for your convenience to ensure that your shares will be represented.

In accordance with Securities and Exchange Commission, or SEC, rules, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Consequently, most stockholders will not receive paper copies of our proxy materials. We will instead send these stockholders a Notice of Internet Availability of Proxy Materials with instructions for accessing the proxy materials, including our Proxy Statement and annual report, and voting via the Internet. The Notice of Internet Availability of Proxy Materials also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. We believe this rule makes the proxy distribution process more efficient, less costly, and helps in conserving natural resources.

You may wish to provide your response by telephone or electronically through the Internet by following the instructions set out on the enclosed Proxy card. If you do attend the meeting and wish to vote your shares personally, you may revoke your Proxy.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be held June 13, 2018. The Proxy Statement and our 2017 Annual Report on Form 10-K to Stockholders are available at: <http://www.cstprouxy.com/emagin/2018>.

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of eMagin Corporation (“eMagin” or the “Company”) to be voted at the Annual Meeting of Stockholders (the “Annual Meeting”) which will be held at the offices of Goodwin Procter LLP at The New York Times Building, 620 Eighth Avenue, New York, New York 10018 on Thursday, June 13, 2018, at 9:00 a.m. Eastern Time, and at any postponements or adjournments thereof. The proxy materials will be furnished to stockholders on or about April 30, 2018.

REVOCABILITY OF PROXY AND SOLICITATION

Any stockholder executing a proxy that is solicited hereby has the power to revoke it prior to the voting of the proxy. Revocation may be made by attending the Annual Meeting and voting the shares of stock in person, or by delivering to the Chief Financial Officer of the Company at the principal office of the Company prior to the Annual Meeting a written notice of revocation or a later-dated, properly executed proxy. Solicitation of proxies may be made by directors, officers and other employees of the Company by personal interview, telephone, facsimile transmittal or electronic communications. No additional compensation will be paid for any such services. This solicitation of proxies is being made by the Company, which will bear all costs associated with the mailing of this Proxy Statement and the solicitation of proxies.

RECORD DATE

Stockholders of record at the close of business on April 19, 2018, will be entitled to receive notice of, attend and vote at the Annual Meeting.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why am I receiving these materials?

eMagin Corporation has made these materials available to you on the Internet or, upon your request, has delivered printed versions of these materials to you by mail, in connection with the Company’s solicitation of proxies for use at the Annual Meeting of Stockholders to be held on June 13, 2018, at 9:00 a.m. local time at the offices of Goodwin Procter LLP at The New York Times Building, 620 Eighth Avenue, New York, New York 10018. These materials describe the proposals on which the Company would like you to vote and also give you information on these proposals so that you can make an informed decision. We are first furnishing our proxy materials on or about May 3, 2018 to all stockholders of record entitled to vote at the Annual Meeting.

What is included in these materials?

These materials, which are available on the internet at: <http://www.cstproxy.com/emagin/2018>, include:

- this Proxy Statement for the Annual Meeting;
- the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2017; and
- if you requested printed versions of these materials by mail, the proxy card or vote instructions for the Annual Meeting.

What is the proxy card?

The proxy card enables you to appoint Andrew G. Sculley, our Chief Executive Officer, and Jeffrey P. Lucas, our Chief Financial Officer, as your representatives at the Annual Meeting. By completing and returning a proxy card, you are authorizing these individuals to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting.

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting on the cover page of this Proxy Statement, including (i) the election of seven persons named herein as nominees for directors of the Company, to hold office subject to the provisions of the bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified, (ii) ratification of the appointment of RSM US LLP as the Company’s independent auditors for the fiscal year ending December 31, 2018; (iii) a non-binding, advisory vote to approve the compensation of our named executive officers; and (iv) a non-binding, advisory vote on the frequency of future non-binding, advisory votes to approve the compensation of our named executive officers. In addition, management will report on the performance of the Company during fiscal year 2017 and respond to questions from stockholders.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the number of shares of common stock and Series B Convertible Preferred Stock (on an as-converted basis with the common stock) issued and outstanding on the record date will constitute a quorum permitting the meeting to conduct its business. As of the record date, there were 45,111,273 shares of eMagin common stock and 5,659 shares of Series B Convertible Preferred Stock, convertible into 7,545,333 shares of common stock, issued and outstanding. Each share of Series B Convertible Preferred Stock is entitled to voting rights equal to the number of shares of common stock issuable upon conversion of the Series B Convertible Preferred Stock. Thus, the presence of the holders of common stock and Series B Convertible Preferred Stock (on an as-converted basis with the common stock) representing at least 26,328,303 votes will be required to establish a quorum.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially in street name.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

Pursuant to rules adopted by the SEC, the Company has elected to provide access to its proxy materials over the Internet. Accordingly, the Company is sending the Notice to the Company's stockholders of record and beneficial owners. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. The Company encourages you to take advantage of the availability of the proxy materials on the Internet.

How can I get electronic access to the proxy materials?

The Notice provides you with instructions regarding how to:

- view the Company's proxy materials for the Annual Meeting on the Internet;
- request hard copies of the materials; and
- instruct the Company to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save the Company the cost of printing and mailing documents to you and will reduce the impact of the Company's annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

Stockholder of Record

If, on April 19, 2018, your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are considered a stockholder of record with respect to those shares, and the Notice of Annual Meeting and Proxy Statement was sent directly to you by the Company. As the stockholder of record, you have the right to direct the voting of your shares by returning the proxy card to us. Whether or not you plan to attend the Annual Meeting, if you do not vote over the Internet, please complete, date, sign and return a proxy card to ensure that your vote is counted.

Beneficial Owner of Shares Held in Street Name

If, on April 19, 2018, your shares were held in an account at a brokerage firm, bank, broker-dealer, or other nominee holder, then you are considered the beneficial owner of shares held in "street name," and the Notice of Annual Meeting & Proxy statement was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a valid proxy from the organization.

How do I vote?

Stockholders of Record. If you are a stockholder of record, you may vote by any of the following methods:

- *Via the Internet.* You may vote by proxy via the Internet by following the instructions provided on the enclosed Proxy Card.
- *By Telephone.* You may vote by calling the toll free number found on the Proxy Card.
- *By Mail.* You may vote by completing, signing, dating and returning your proxy card in the pre-addressed, postage-paid envelope provided.
- *In Person.* You may attend and vote at the Annual Meeting. The Company will give you a ballot when you arrive. You must bring valid photo identification such as your driver's license or passport and may be requested to provide proof of stock ownership as of the record date.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name, you may vote by any of the following methods:

- *Via the Internet.* You may vote by proxy via the Internet by following the instructions provided on the enclosed Proxy Card.
- *By Telephone.* You may vote by proxy by calling the toll free number found on the vote instruction form.
- *By Mail.* You may vote by proxy by filling out the vote instruction form and returning it in the pre-addressed, postage-paid envelope provided.
- *In Person.* If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the organization that holds your shares prior to the Annual Meeting. You must bring valid photo identification such as your driver's license or passport.

What are abstentions and broker non-votes?

While the inspector of elections will treat shares represented by proxies that reflect abstentions or include "broker non-votes" as shares that are present and entitled to vote for purposes of determining the presence of a quorum, abstentions or "broker non-votes" do not constitute a vote "for" or "against" any matter and thus will be disregarded in any calculation of "votes cast." However, abstentions and "broker non-votes" will have the effect of a negative vote if an item requires the approval of a majority of a quorum or of a specified proportion of all issued and outstanding shares.

Brokers holding shares of record for customers generally are not entitled to vote on "non-routine" matters, unless they receive voting instructions from their customers. As used herein, "uninstructed shares" means shares held by a broker who has not received voting instructions from its customers on a proposal. A "broker non-vote" occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter. In connection with the treatment of abstentions and broker non-votes, the proposed ratification of RSM US LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2018 is considered a "routine" matter. Accordingly, brokers are entitled to vote uninstructed shares with respect to this proposal. All other matters are considered non-routine matters and, accordingly, brokers do not have discretionary voting power with respect to such matters.

What happens if I do not give specific voting instructions?

Stockholders of Record. If you are a stockholder of record and you:

- indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board of Directors, or
- sign and return a proxy card without giving specific voting instructions,

then the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters, such as the ratification of RSM US LLP as the Company's independent registered public accounting firm for the year ending December 31, 2018, but cannot vote on non-routine matters, such as the other proposals presented in this Proxy Statement.

What are the Board's recommendations?

The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

- *for* election of the seven directors nominated by the Company to hold office subject to the provisions of the Bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified;
- *for* ratification of the appointment of RSM US LLP as the Company's independent auditors for fiscal year 2017;
- *for* approval, on a non-binding, advisory basis, of the compensation of our named executive officers; and
- *for every year* on the frequency of future non-binding advisory votes to approve the compensation of our named executive officers.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

How are proxy materials delivered to households?

Only one copy of the Notice of Internet Availability of Proxy Materials will be delivered to an address where two or more stockholders reside with the same last name or who otherwise reasonably appear to be members of the same family based on the stockholders' prior express or implied consent.

We will deliver promptly upon written or oral request a separate copy of the Company's Annual Report on Form 10-K for the fiscal year ending December 31, 2017 and this Proxy Statement. If you share an address with at least one other stockholder, currently receive one copy of our Annual Report on Form 10-K and Proxy Statement at your residence, and would like to receive a separate copy of our Annual Report on Form 10-K and Proxy Statement for future stockholder meetings of the Company, please specify such request in writing and send such written request to eMagin Corporation, 2070 Route 52, Hopewell Junction, NY 12533; Attention: Chief Financial Officer.

Interest of Officers and Directors in Matters to Be Acted Upon

Except for the election to our Board of the seven nominees set forth herein, none of our officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting.

How much stock is owned by 5% stockholders, directors, and executive officers?

Involvement in Certain Legal Proceedings

Pursuant to an Order Instituting Cease-and-Desist Proceedings Pursuant to Section 21C of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), Making Findings, and Imposing a Cease-and-Desist Order and Civil Penalty dated September 10, 2014 (the "Order"), the entry to which Mr. Cronson consented, the SEC found that Mr. Cronson had violated Section 16(a) of the Exchange Act and Rule 16a-3 promulgated thereunder by virtue of having failed to timely file a Form 4 reporting transactions in our Company's securities on numerous occasions during the calendar years 2010 through 2013. The SEC ordered Mr. Cronson to (i) cease and desist from committing or causing any future violations Section 16(a) of the Exchange Act and Rule 16a-3 promulgated thereunder, and (ii) pay a civil money penalty in the amount of \$47,250. During 2017, the Compensation Committee held five meetings in person or through conference calls.

Compensation Committee Interlocks and Insider Participation

During 2017, the following directors, each of whom is “independent,” served on our Compensation Committee: Christopher Brody (Chair), Leslie G. Polgar and Stephen M. Seay. None of the members of our Compensation Committee was an employee of the Company, has ever served as an officer of the Company, or had any relationship with us requiring disclosure herein. None of our executive officers serves as either a member of the Board of Directors or the compensation committee of any other company that has any executive officers serving as a member of our Board or Compensation Committee.

Governance and Nominating Committee

The Governance and Nominating Committee is responsible for considering potential Board members, nominating Directors for election to the Board, implementing the Company’s corporate governance policies, and for all other purposes outlined in the Governance and Nominating Committee Charter, which is posted on our Corporate Governance landing page under the tab labeled “Investors” on our website at <http://www.emagin.com>. The current members of the Governance and Nominating Committee are Stephen M. Seay (Chair), Christopher Brody and Ellen Richstone. During 2017, the Governance and Nominating Committee held six meetings in person or through conference calls.

Nomination of Directors

As provided in its charter, the Governance and Nominating Committee is responsible for identifying individuals qualified to become directors. The Governance and Nominating Committee seeks to identify director candidates based on input provided by a number of sources including (1) the Governance and Nominating Committee members, (2) our other directors, (3) our stockholders, (4) our Chief Executive Officer or Chair of the Board, and (5) third parties such as service providers. In evaluating potential candidates for director, the Governance and Nominating Committee considers the entirety of each candidate’s credentials.

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board of Directors. However, at a minimum, candidates for director must possess:

- high personal and professional ethics and integrity;
- the ability to exercise sound judgment;
- the ability to make independent analytical inquiries;
- a willingness and ability to devote adequate time and resources to diligently perform Board and committee duties; and
- the appropriate and relevant business experience and acumen.

The Governance and Nominating Committee will consider nominees recommended by stockholders if such recommendations are made in writing to the Committee and contain sufficient information for the independent directors to assess the suitability of the candidate, including the candidate’s qualifications. This information should include a resume and other information regarding each nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated by the Board; and the consent of each nominee to serve as a director of the Company if so elected. The Governance and Nominating Committee does not plan to change the manner in which the Committee evaluates nominees for election as a director based on whether the nominee has been recommended by a stockholder or otherwise. Stockholders wishing to recommend director candidates to the Board must submit their recommendation and the requested candidate information in writing to eMagin Corporation, c/o Chief Financial Officer, 2070 Route 52, Hopewell Junction, NY 12533

The Governance and Nominating Committee does not have a formal policy relating to diversity among directors. In considering new nominees and whether to re-nominate existing members of the Board, the committee seeks to achieve a Board with strengths in its collective knowledge and a broad diversity of perspectives, skills and business and professional experience. Among other items, the committee looks for a range of experience in strategic planning, sales, finance, executive leadership, industry and similar attributes.

At least a majority of the directors on the Board must be Independent Directors as this term is defined in the rules of the NYSE American, LLC.

Board Leadership Structure and Role in Risk Oversight

The Company has separated the positions of Chair of the Board of Directors and Chief Executive Officer. Given the demanding nature of these positions, the Board believes it is appropriate to separate the positions of Chair and Chief Executive Officer. Our Chair presides over all meetings of the Board of Directors, including executive sessions of the independent directors which are held at each Board meeting. She briefs the Chief Executive Officer on issues arising in executive sessions and communicates frequently with him on matters of importance. She has responsibility for shaping the Board's agenda and consults with all directors to ensure that the board agendas and board materials provide the Board with the information needed to fulfill its responsibilities. From time to time she may also represent the Company in interactions with external stakeholders at the discretion of the Board.

The Board of Directors has determined that each of our current directors, except for Mr. Sculley, is an "independent director" as that term is defined in the listing standards of the NYSE American, LLC. The Board of Directors has also determined that each member of the Audit Committee, Compensation Committee and Governance and Nominating Committee meets the independence standards applicable to those committees prescribed by the NYSE American, LLC and the SEC. In making this decision, the Board considered all relationships between the Company and the directors. The Board determined each such relationship, and the aggregate of such relationships, to be immaterial to the applicable director's ability to exercise independent judgment.

Our Board has overall responsibility for risk oversight. The oversight is conducted primarily through committees of the Board of Directors, as disclosed in each of the descriptions of each of the committees above and in the charters of each of the committees, but the full Board of Directors has retained responsibility for general oversight of risks.

Stockholder Communications

Stockholders requesting communication with directors can do so by writing to eMagin Corporation, c/o Chief Financial Officer, 2070 Route 52, Hopewell Junction, NY 12533 or emailing to jlucas@emagin.com. We do not screen communications received and forward any requests directly to the named director. If no director was named in a general inquiry, the Chief Financial Officer would contact either the Chair of the Board of Directors or the chairperson of a particular committee, as appropriate. We do not provide the physical address, email address, or phone numbers of directors to outside parties without a Director's permission.

Code of Ethics and Business Conduct

We have adopted a Code of Ethics and Business Conduct that applies to all of our directors, officers and employees including our Chief Executive Officer and Chief Financial Officer and principal accounting officer. The Code of Ethics and Business Conduct is posted on our website at <http://www.emagin.com>.

EXECUTIVE COMPENSATION

Executive Compensation Objectives

The objectives of our compensation program are as follows:

- Attract, hire and retain well-qualified executives.
- Reward performance that drives substantial increases in shareholder value, as evidenced through both future operating profits and increased market price of our common shares.

Compensation Setting Process

Role of Compensation Committee. The role of the Compensation Committee is to oversee the Company's executive compensation strategy, oversee the administration of its executive compensation and its equity based compensation plans, review and approve the compensation of the Company's CEO, and oversee the Company's compensation plan for the Board of Directors. The Compensation Committee is comprised exclusively of independent outside directors and includes members with executive level experience in other companies. In addition, the Compensation Committee compares executive compensation practices of similar companies at similar stages of development.

Role of Compensation Consultant. The Compensation Committee has the authority to engage its own advisors to assist in carrying out its responsibilities. Towers Watson, a global professional services company, was previously engaged by Compensation Committee to assist in the identification and selection of peer companies for purposes of comparing compensation practices and to provide guidance regarding the amount and types of compensation that we provide to our executives and Board of Directors, and on other compensation-related matters. In 2017, the Compensation Committee did not engage or receive services from Towers Watson or any other compensation consultant.

Role of Management. In setting compensation for 2017, our CEO worked closely with the Compensation Committee and attended the meetings of the Compensation Committee. Our CEO made recommendations to the Compensation Committee regarding compensation of our executive officers other than himself. No executive officer participated directly in the final deliberations regarding his own compensation package.

Use of Comparative Market Data. The Compensation Committee approved the 2017 peer group consisting of the following 17 companies. These companies were selected as peers based on their being in a similar industry, primarily manufacturers of electronic components or electronic equipment and instruments, and of a generally similar size, based mainly on revenue.

Clearfield, Inc.	Microvision Inc.
Digital Ally Inc.	Murata Manufacturing Co. Ltd.
Inrad Optics Inc	NVE Corporation
Intricon Corporation	SPI Energy Co., Ltd.
Kopin Corporation	Supertex, Inc.
LightPath Technologies Inc.	The LGL Group, Inc.
Luna Inc.	Universal Display Corporation
LRAD Corporation	
Mercury Computer Systems, Inc.	
Micropac Industries Inc.	

Elements of Executive Compensation

The compensation level of our executives generally reflects their level of experience and is designed to provide an incentive to positively affect our future operating performance and shareholder value.

Base Salary. Base salary is the primary fixed element in the Company's compensation program and is intended to provide an element of certainty and security to the Company's executive officers on an ongoing basis. Base salaries are determined based on the executive's level of experience, specialty and responsibility. Executive base salaries are reviewed on an annual basis by the Compensation Committee. Any increases in base salary are based on an evaluation of the individual's performance, level of

responsibility and, when such information is available, the level of pay compared to the salaries paid to persons in similar positions in the Company's peer group or as shown in survey data.

Mr. Sculley's base salary for 2017 of \$440,000 was consistent with his ending base salary for 2017. In 2017, Dr. Ghosh's base salary of \$320,000 was the same as his ending base salary in 2016. Mr. Lucas' base annual salary of \$355,000 was consistent with his ending base salary in 2016. Amounts reported in the 2017 Summary Compensation Table below reflect actual cash compensation paid and differ slightly from these rates due to the timing of payroll dates in each period, and the timing of payroll increases.

Equity. Part of the compensation paid to our executives is in the form of equity, which to date has been exclusively through stock option grants. The stock option exercise price is at least equal to the fair market value of our common stock on the date of grant. Therefore, a gain is only recognized if the value of the stock increases, which promotes a long term alignment between the interests of the Company's executives and its stockholders. In addition, the time-based vesting features of our stock options contribute to executive retention. No equity awards granted to these officers during 2017.

Incentive Bonus. Our named executive officers are eligible to receive cash incentive awards that are tied to achieving performance metrics established by the Compensation Committee at the beginning of each year, with input from the Chief Executive Officer. Target bonuses for the named executive officers are set as a percentage of base salary. The program is funded by establishing a pool based on a percentage of annual EBITDA, which is then adjusted by an overall company performance modifier based on company performance to reach the final bonus pool. The program creates incentive for the named executive officers to direct their efforts toward achieving specified company goals and individual goals. For 2017 annual cash incentive bonuses, the Compensation Committee established goals related to the Company's financial performance and attainment of strategic milestones and approved individual goals for executives. In 2017, we fell short of reaching the Company's financial performance goals and, accordingly, there were no Bonus program or discretionary cash bonuses awarded for 2017 performance.

Anti-Hedging Policy

Our insider trading policy prohibits directors and employees from engaging in short-term or speculative transactions such as trading in eMagin stock on a short-term basis, purchasing eMagin stock on the margin or engaging in short sales.

Clawback Policy

Our Clawback Policy provides that the Company will seek to recover, under the direction of the Compensation Committee, any cash or equity compensation paid to an executive officer of the Company which is subject to recovery under any law, government regulation or stock exchange listing requirement, through such deductions or clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement.

On July 1, 2016, the Company and Andrew G. Sculley, Jr. entered into an Amended and Restated Employment Agreement (the "Sculley Employment Agreement). The term of the Sculley Employment Agreement will continue until December 31, 2018 unless it is terminated sooner pursuant to its terms. Mr. Sculley's current annual base salary is \$440,000.

If Mr. Sculley's (i) employment is terminated without Cause (as defined in the Sculley Employment Agreement), (ii) employment is terminated or his position is significantly changed or salary decreased as a result of a Change of Control (as defined in the Sculley Employment Agreement) or (iii) if he terminates his employment for Good Reason (as defined in the Sculley Employment Agreement), then Mr. Sculley shall, at the Company's sole discretion, be entitled to the lesser of (i) the total amount of his base salary that remains unpaid under the Sculley Employment Agreement, which shall be paid monthly, or (ii) monthly salary payments for twelve (12) months, based on Mr. Sculley's monthly rate of base salary at the date of such termination, provided, however in lieu of the aforementioned monthly payments, the Company may in its sole discretion pay such payments in a lump-sum. Payment by the Company of the foregoing severance amounts is contingent upon Mr. Sculley's executing a release agreement substantially in the form attached as an exhibit to the Sculley Employment Agreement, and such release becoming effective, and only so long as Mr. Sculley does not revoke or breach the provisions of the such release or the restrictive covenants set forth in Sections 4 and 5 of the Sculley Employment Agreement. Mr. Sculley shall also be entitled to: (i) payment for accrued and unused vacation; (ii) the immediate vesting of any non-vested equity-related instruments granted pursuant to Section 2.6 of the Sculley Employment Agreement; and (iii) any bonuses which have accrued but remain unpaid prior to the date of Mr. Sculley's termination.

Mr. Sculley or his personal representative may accept either or both of such offers at any time before such equity-related instruments otherwise expire by giving written notice to the Company.

Offer Letter with Jeffrey P. Lucas

On September 14, 2015, the Company and Jeffrey P. Lucas entered into an offer letter. Mr. Lucas's current base salary is \$355,000 and he is eligible for an annual incentive bonus targeted at 20% of his base salary. In the event that Mr. Lucas's employment is terminated by the Company for any reason other than for unsatisfactory performance or gross misconduct, he will receive severance equal to six months his salary at the time of termination, subject to his execution of a separation and release agreement, in form and substance acceptable to the Company.

Change in Control Agreements

On November 8, 2017, we entered into Change in Control Agreements (the "Change in Control Agreements") with Amalkumar Ghosh

and Jeffrey P. Lucas (each an “Executive”). The Agreements provide that if, within the 12-month period following a Change in Control of the Company (as defined in the Change in Control Agreements), the Executive suffers a Terminating Event (as defined below), he will be entitled to receive a lump sum cash payment in an amount equal to the Executive’s annual base salary in effect immediately prior to the Terminating Event (or the Executive’s annual base salary in effect immediately prior to the Change in Control, if higher), payable in a lump sum on the termination date, provided that the Executive executes and does not revoke a separation agreement and release in favor of us. In addition, if the Executive was participating in our group health plan immediately prior to termination and elects COBRA health continuation, then we will pay the Executive a monthly cash payment for 12 months or the Executive’s COBRA health continuation period, whichever ends earlier, in an amount equal to the monthly employer contribution that we would have made to provide health insurance to the Executive if he had remained employed by us.

A “Terminating Event” shall be deemed to have occurred under the Change in Control Agreements if the Executive (i) is terminated by us other than for Cause (as defined in the Change in Control Agreements), death or Disability (as defined in the Change in Control Agreements) or (ii) terminates his employment with the Company for Good Reason (as defined in the Change in Control Agreements).

The Change in Control Agreements became effective as of November 8, 2017 and shall terminate upon the earliest of (a) the termination of the Executive’s employment for any reason prior to a Change in Control, (b) the termination of the Executive’s employment with the Company after a Change in Control for any reason other than the occurrence of a Terminating Event or (c) the date which is twelve months and a day after a Change in Control if the Executive is still employed by the Company.

Transactions with Related Persons

At no time during 2016 or 2017, with the exception of the unsecured debt financing arrangement described below, has any executive officer, director or any member of these individuals’ immediate families, any corporation or organization with whom any of these individuals is an affiliate or any trust or estate in which any of these individuals serves as a trustee or in a similar capacity or has a substantial beneficial interest, been indebted to the Company or been involved in any transaction in which the amount exceeded \$120,000 and such person had a direct or indirect material interest.

Pursuant to the Line Letter Agreement, the Company may borrow up to \$2 million for general working capital purposes and up to an additional \$3 million should the Company’s primary lender not provide borrowing availability under its normal terms and conditions (the “Line”). This agreement expired on May 23, 2017 upon the completion of a qualifying financing.

As additional consideration for the Line, the Company paid Stillwater a non-refundable origination fee of \$50,000 and issued warrants to Stillwater Trust LLC to purchase up to 100,000 shares of the Company’s common stock at an exercise price of \$2.25 per share, the closing market price of the Company’s common stock on the date the arrangement was executed.

Procedures for Approval of Related Party Transactions

Our Board of Directors is charged with reviewing and approving all potential related party transactions. All such related party transactions must then be reported to the extent required under applicable SEC rules. We have not adopted other procedures for review, or standards for approval, of such transactions, but instead review them on a case-by-case basis.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than 10% of the issued and outstanding shares of eMagin common stock to file reports of initial ownership of common stock and other equity securities and subsequent changes in that ownership with the SEC. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2017, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with, except that (i) each of Messrs. Ghosh, Costello, Cronson, Lucas, Polgar, Prache, Sculley and Seay and Ms. Richstone and Wittels has one (1) late report, respectively, with respect to an acquisition of common stock and warrants to purchase common stock that was not reported on a timely basis; (ii) each of Messrs. Brody, Cronson, Polgar, Seay and Ms. Richstone and Wittels has one (1) late report, respectively, with respect to a grant of stock options that was not reported on a timely basis; and (iii) Stillwater Holdings LLC has one (1) late report with respect to an acquisition of warrants to purchase common stock that was not reported on a timely basis.

Required Vote

The election of the directors of the Company requires the affirmative vote of a plurality of the shares of the Company's common stock and Series B Preferred Stock (on an as converted basis with the Common stock) present in person or represented by Proxy at the Annual Meeting, which will be the nominees receiving the largest number of votes, which may or may not constitute a majority.

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 1:

**THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF ALL
THE NOMINEES DESCRIBED ABOVE.**

PROPOSAL NO. 2

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

RSM US LLP (“RSM”), our independent auditors, audited our financial statements for the 2017 fiscal year. The Audit Committee selected RSM as the independent auditors of the Company for the fiscal year ending December 31, 2018. Representatives of RSM are not expected to attend the 2018 Annual Meeting of Stockholders. RSM was first engaged by us on June 15, 2011.

During the years ended December 31, 2017 and 2016, neither the Company nor anyone acting on its behalf consulted with RSM regarding any of the matters or events set forth in Item 304(a)(2) of Regulation S-K, nor did RSM receive any fees for any services during that time period.

Audit Fees

RSM served as eMagin’s independent auditors for the years ended December 31, 2017 and 2016. For the years ended December 31, 2017 and 2016, the fees for audit services associated with the annual audit and review of the Company’s quarterly reports on Form 10-Q totaled approximately \$229,000 and \$194,000, respectively.

Audit Related Fees

For the years ended December 31, 2017 and 2016, fees related to audit services related to the Company’s statutory and regulatory filings totaled approximately \$78,853 and \$21,003, respectively, from RSM.

Tax Fees

No fees were billed for the years ended December 31, 2017 and 2016 for professional services rendered by RSM for tax compliance, tax advice, and tax planning.

Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and non-audit services performed by the Company’s independent auditor and the fees to be paid in connection with such services in order to assure that the provision of such services does not impair the auditor’s independence.

Required Vote

The ratification of the appointment of the Company’s independent auditors requires the receipt of the affirmative vote of a majority of the shares of the Company’s common stock and Series B Preferred Stock (on an as converted basis with the Common stock) present in person or by proxy and voting at the Annual Meeting.

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 2:

THE BOARD RECOMMENDS A VOTE FOR RATIFICATION OF APPOINTMENT OF RSM US LLP AS OUR INDEPENDENT AUDITORS FOR THE YEAR ENDED DECEMBER 31, 2018.

PROPOSAL NO. 3

NON-BINDING, ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) requires the Company’s stockholders to have the opportunity to cast a non-binding, advisory vote to approve of the compensation disclosed in this Proxy Statement of the Company’s executive officers who are named above in the Summary Compensation Table (the “named executive officers”). The Company has disclosed the compensation of the named executive officers pursuant to rules adopted by the SEC.

Please read the “Compensation Discussion and Analysis” beginning on page 14 for additional details about our executive compensation program, including information about the fiscal year 2017 compensation of our named executive officers. We believe that our compensation policies for the named executive officers are designed to attract, motivate and retain talented executive officers and are aligned with the long-term interests of the Company’s stockholders. This advisory stockholder vote, commonly referred to as a “say-on-pay vote,” gives you as a stockholder the opportunity to vote for or against approval of the compensation of the named executive officers that is disclosed in this Proxy Statement by voting on following resolution (or by abstaining with respect to the resolution):

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed in the Company’s 2018 Proxy Statement pursuant to Item 402 of Regulation S-K, including the Executive Compensation Section of this Proxy Statement, compensation tables and narrative discussion, is hereby APPROVED.”

Because your vote is advisory, it is not binding on either the Board of Directors, the Compensation Committee or the Company. Although non-binding, the Board of Directors and the Compensation Committee value the opinions that stockholders express in their votes and will review the voting results and take them into consideration as they deem appropriate when making future decisions regarding our executive compensation program.

Required Vote

Adoption of the resolution requires the receipt of the affirmative vote of a majority of the shares of the Company’s common stock and Series B Preferred Stock (on an as converted basis with the common stock) present in person or by proxy and voting at the Annual Meeting.

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 3:

**THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR”
THE COMPENSATION OF THE COMPANY’S EXECUTIVE OFFICERS DISCLOSED IN THIS PROXY STATEMENT.**

PROPOSAL NO. 4

NON-BINDING, ADVISORY VOTE ON THE FREQUENCY OF FUTURE NON-BINDING ADVISORY VOTES ON EXECUTIVE COMPENSATION

The Dodd-Frank Act requires that the Company's stockholders have the opportunity to cast a non-binding, advisory vote at least once every six years regarding how frequently the Company should seek from its stockholders a non-binding advisory vote (similar to Proposal 3 above) to approve of the compensation of the Company's named executive officers. At our annual meeting of stockholders held in 2012, our stockholders voted on the frequency of non-binding advisory votes to approve the compensation of our named executive officers and, at that time, expressed a preference for holding such votes every year. Accordingly, our stockholders are entitled to vote on the frequency of such non-binding advisory votes to approve the compensation of our named executive officers at the 2018 Annual Meeting. By voting on this frequency proposal, stockholders may indicate whether they would prefer that the non-binding, advisory vote on the compensation of the Company's named executive officers occur every one, two or three years. Stockholders may also abstain from voting on the proposal. Accordingly, the following resolution is submitted for a non-binding, advisory stockholder vote at the Annual Meeting:

RESOLVED, that the highest number of votes cast by the holders of common stock and Series B Preferred Stock (on an as-converted basis with the common stock) of eMagin Corporation for the option set forth below shall be the preferred frequency of the Company's stockholders for holding a non-binding advisory vote to approve the compensation of the Company's named executive officers.

- every year;
- every two years; or
- every three years.

The Board of Directors has determined that a non-binding, advisory vote by the Company's stockholders to approve named executive officer compensation that occurs every year is the most appropriate alternative for the Company. While the Company's executive compensation programs are designed to promote a long-term connection between pay and performance, the Board of Directors recognizes that executive compensation disclosures are made annually. Holding an annual advisory vote on executive compensation provides the Company with direct and immediate feedback on our compensation disclosures. However, stockholders should note that because the non-binding, advisory vote to approve the compensation of our named executive officers occurs well after the beginning of the compensation year, and because the different elements of our executive compensation programs are designed to operate in an integrated manner and to complement one another, in many cases it may not be appropriate or feasible to change our executive compensation programs in consideration of any one year's advisory vote to approve the compensation of our named executive officers by the time of the following year's annual meeting of stockholders.

You may cast your vote on your preferred voting frequency by choosing the option of every one year, two years or three years when you vote in response to this proposal, and you may also abstain from voting on the proposal. Your vote on this proposal is not a vote to approve or disapprove of the Board's recommendation but rather is a vote to select one of the options described in the preceding sentence. The option of every one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency of future non-binding, advisory votes to approve the compensation of our named executive officers that has been recommended by the stockholders. However, because this vote is advisory and not binding on either the Board of Directors or the Company, the Board of Directors may subsequently decide that it is in the best interests of the Company and its stockholders to hold an advisory vote on executive compensation that differs in frequency from the option that received the highest number of votes from the Company's stockholders at the Annual Meeting.

Required Vote

The affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote is necessary to approve this resolution. You may vote "1 YEAR," "2 YEARS," "3 YEARS," OR "ABSTAIN." However, because this vote is advisory and non-binding, if none of the frequency options receive a majority of the votes cast, the option receiving the greatest number of votes will be considered the frequency recommended by the Company's stockholders. Even though this vote will neither be binding on the Company or the Board nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on, the Company or the Board, the Board will take into account the outcome of the vote in making a determination on the frequency at which advisory votes on executive compensation will be included in the Company's proxy statement. For purposes of determining whether this proposal has passed, abstentions will be treated as votes cast against this proposal, while broker non-votes will not be treated as votes cast on this proposal and those non-votes will have will have no effect on the proposal.

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 4:

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE TO HOLD FUTURE NON-BINDING ADVISORY S VOTES TO APPROVE THE COMPENSATION OF THE OUR NAMED EXECUTIVE OFFICERS EVERY YEAR.

OTHER MATTERS

The Board of Directors knows of no other business which will be presented at the Annual Meeting. If any other matters properly come before the meeting, the persons named in the enclosed Proxy, or their substitutes, will vote the shares represented thereby in accordance with their judgment on such matters.
