ITEM 11.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Executive Compensation Objectives

The objectives of our compensation program are as follows:

- Attract, hire and retain well-qualified executives.
- Reward performance that drives substantial increases in shareholder value, as evidenced through both future operating profits and increased market price of our common shares.

Compensation Setting Process

Role of Compensation Committee. The role of the Compensation Committee is to oversee the Company's executive compensation strategy, oversee the administration of its executive compensation and its equity based compensation plans, review and approve the compensation of the Company's Chief Executive Officer, and other executive officers and managers, and oversee the compensation of the Company's Board of Directors. The Compensation Committee is comprised exclusively of independent outside directors and includes members with executive level experience in other companies. In addition, the Compensation Committee compares executive compensation practices of similar companies at similar stages of development.

Role of Compensation Consultant. The Compensation Committee has the authority to engage its own advisors to assist in carrying out its responsibilities. The Company engaged the Wilson Group in March 2019 to provide guidance on and perform an assessment of a strategic incentive program for senior management. Towers Watson, a global professional services company, was previously engaged by the Compensation Committee to assist in the identification and selection of peer companies for purposes of comparing compensation practices and to provide guidance regarding the amount and types of compensation that we provide to our executives and Board of Directors, and on other compensation-related matters. In 2018, the Compensation Committee did not engage or receive services from Towers Watson or any other compensation consultant.

Role of Management. In setting compensation for 2018, our Chief Executive Officer worked closely with the Compensation Committee and attended the meetings of the Compensation Committee. Our Chief Executive Officer made recommendations to the Compensation Committee regarding compensation of our executive officers other than himself. No executive officer participated directly in the final deliberations regarding his own compensation package.

Use of Comparative Market Data. The Compensation Committee approved the 2018 peer group consisting of the following 17 companies. These companies were selected as peers based on their being in a similar industry, primarily manufacturers of electronic components or electronic equipment and instruments, and of a generally similar size, based mainly on revenue.

Clearfield, Inc.
Digital Ally Inc.
Inrad Optics Inc.
Intricon Corporation
Kopin Corporation
LightPath Technologies Inc.
Luna Inc.
LRAD Corporation

Elements of Executive Compensation

The compensation level of our executives generally reflects their level of experience and is designed to provide an incentive to positively affect our future operating performance and shareholder value.

[Table of Contents](#)

Base Salary. Base salary is the primary fixed element in the Company's compensation program and is intended to provide an element of certainty and security to the Company's executive officers on an ongoing basis. Base salaries are determined based on the executive's level of experience, specialty and responsibility. Executive base salaries are reviewed on an annual basis by the Compensation Committee. Any increases in base salary are based on an evaluation of the individual's performance, level of responsibility and, when such information is available, the level of pay compared to the salaries paid to persons in similar positions in the Company's peer group or as shown in survey data.

Mr. Sculley's base salary for 2018 of \$440,000 was consistent with his ending base salary for 2017. Dr. Ghosh's base annual salary of \$320,000 was increased to \$355,000 in September 2018 upon his promotion to Chief Technology Officer. Mr. Lucas' base annual salary of \$355,000 was increased to 400,000 upon his promotion to President on September 30, 2018. Amounts reported in the 2018 Summary Compensation Table below reflect actual cash compensation paid and differ slightly from these rates due to the timing of payroll dates in each period, and the timing of payroll increases.

Equity. Part of the compensation paid to our executives has historically been in the form of equity, which to date has been exclusively through stock option grants. The stock option exercise price is at least equal to the fair market value of our common stock on the date of grant. Therefore, a gain is only recognized if the value of the stock increases, which promotes a long term alignment between the interests of the Company's executives and its stockholders. In addition, the time-based vesting features of our stock options contribute to executive retention. No equity awards were granted to our named executive officers during 2018.

Incentive Bonus. Our named executive officers are eligible to receive cash incentive awards that are tied to achieving performance metrics established by the Compensation Committee at the beginning of each year, with input from the Chief Executive Officer. Target bonuses for the named executive officers are set as a percentage of base salary. The program is funded by establishing a pool based on a percentage of annual EBITDA, which is then adjusted by an overall Company performance modifier based on Company performance to reach the final bonus pool. The program creates incentive for the named executive officers to direct their efforts toward achieving specified Company goals and individual goals. For 2018 annual cash incentive bonuses, the Compensation Committee established goals related to the Company's financial performance and attainment of strategic milestones and approved individual goals for executives. In 2018, we fell short of reaching the Company's financial performance goals and, accordingly, there were no bonus program or discretionary cash bonuses awarded to our named executive officers for 2018 performance.

Anti-Hedging Policy

Employment Agreements

Employment Agreement with Andrew G. Sculley

On July 1, 2016, the Company and Andrew G. Sculley, Jr. entered into an Amended and Restated Employment Agreement (the “2016 Sculley Employment Agreement”), which provides for an annual base salary of \$440,000.

Pursuant to the 2016 Sculley Employment Agreement, if Mr. Sculley’s (i) employment is terminated without Cause (as defined in the 2016 Sculley Employment Agreement), (ii) employment is terminated or his position is significantly changed or salary decreased as a result of a Change of Control (as defined in the 2016 Sculley Employment Agreement) or (iii) if he terminates his employment for Good Reason (as defined in the 2016 Sculley Employment Agreement), then Mr. Sculley shall, at the Company’s sole discretion, be entitled to the lesser of (i) the total amount of his base salary that remains unpaid under the 2016 Sculley Employment Agreement, which shall be paid monthly, or (ii) monthly salary payments for 12 months, based on Mr. Sculley’s monthly rate of base salary at the date of such termination, provided, however in lieu of the aforementioned monthly payments, the Company may in its sole discretion pay such payments in a lump-sum. Pursuant to the 2016 Sculley Employment Agreement, payment by the Company of the foregoing severance amounts is contingent upon Mr. Sculley’s executing a release agreement substantially in the form attached as an exhibit to the 2016 Sculley Employment Agreement, and such release becoming effective, and only so long as Mr. Sculley does not revoke or breach the provisions of the such release or the restrictive covenants set forth in Sections 4 and 5 of the 2016 Sculley Employment Agreement.

Table of Contents

Pursuant to the 2016 Sculley Employment Agreement, Mr. Sculley shall also be entitled to: (i) payment for accrued and unused vacation; (ii) the immediate vesting of any non-vested equity-related instruments granted pursuant to Section 2.6 of the 2016 Sculley Employment Agreement; and (iii) any bonuses which have accrued but remain unpaid prior to the date of Mr. Sculley's termination.

The Company also agreed to amend any equity-related instruments granted to Mr. Sculley to permit the full exercise thereof following the termination of his employment without Cause, because of Disability (as defined in the 2016 Sculley Employment Agreement) or death and to amend any equity-related instruments granted to him to permit the immediate full vesting and exercise thereof at any time after termination of Mr. Sculley's employment without Cause or because of Disability or death, to the same extent as though Mr. Sculley's employment had not terminated. Mr. Sculley or his personal representative may accept either or both of such offers at any time before such equity-related instruments otherwise expire by giving written notice to the Company.

The term of the 2016 Sculley Employment Agreement expired on December 31, 2018. Mr. Sculley's employment agreement for 2019 is currently under negotiation and has not yet been completed. Mr. Sculley and the Company have agreed that the Company will continue to pay Mr. Sculley pursuant to the terms of the 2016 Sculley Employment Agreement until the new agreement can be completed. In the interim the Company and Mr. Sculley have entered into a Change in Control Agreement and a Strategic Bonus Agreement. See "—Change in Control Agreements" and "—Strategic Bonus Agreements" below. Mr. Sculley's new employment agreement is expected to be substantially the same as the 2016 Sculley Employment Agreement, save for those matters now covered by Mr. Sculley's Change in Control Agreement and Mr. Sculley's Strategic Bonus Agreement.

Offer Letter with Jeffrey P. Lucas

On September 10 2015, the Company and Jeffrey P. Lucas entered into an offer letter. Mr. Lucas's current base salary is \$400,000 and he is eligible for an annual incentive bonus targeted at 20% of his base salary. In the event that Mr. Lucas's employment is terminated by the Company for any reason other than for unsatisfactory performance or gross misconduct, he will receive severance equal to six months his salary at the time of termination, subject to his execution of a separation and release agreement, in form and substance acceptable to the Company.

Change in Control Agreements

On November 8, 2017 and April 29, 2019, respectively, we entered into Change in Control Agreements (the "Change in Control Agreements") with Amalkumar Ghosh and Jeffrey P. Lucas, and Andrew G. Sculley (each an "Executive"). The Change in Control Agreements provide that if, within the 12-month period following a Change in Control of the Company (as defined in the Change in Control Agreements), the Executive suffers a Terminating Event (as defined below), he will be entitled to receive a lump sum cash payment in an amount equal to the Executive's annual base salary in effect immediately prior to the Terminating Event (or the Executive's annual base salary in effect immediately prior to the Change in Control, if higher), payable in a lump sum within 60 days of the termination date, provided that the Executive executes and does not revoke a separation agreement and release in favor of us. In addition, if the Executive was participating in our group health plan immediately prior to termination and elects COBRA health continuation, then we will pay the Executive a monthly cash payment for 12 months or the Executive's COBRA health continuation period, whichever ends earlier, in an amount equal to the monthly employer contribution that we would have made to provide health insurance to the Executive if he had remained employed by us.

A "Terminating Event" shall be deemed to have occurred under the Change in Control Agreements if the Executive (i) is terminated by us other than for Cause (as defined in the Change in Control Agreements), death or Disability (as defined in the Change in Control Agreements) or (ii) terminates his employment with the Company for Good Reason (as defined in the Change in Control Agreements).

Mr. Ghosh's and Mr. Lucas' Change in Control Agreements became effective as of November 8, 2017 and Mr. Sculley's Change in Control Agreement became effective April 29, 2019. Each of the agreements terminate upon the earliest of (a) the termination of the Executive's employment for any reason prior to a Change in Control, (b) the termination of the Executive's employment with the Company after a Change in Control for any reason other than the occurrence of a Terminating Event or (c) the date which is 12 months after a Change in Control if the Executive is still employed by the Company.

The foregoing description is a summary of the Change in Control Agreements and should be read in conjunction with the full text of the form of Change in Control Agreement which is attached to this Amendment No. 1 as Exhibit 10.1 and is incorporated herein by reference.

Strategic Bonus Agreements

On April 30, 2019, we entered into strategic bonus agreements (the "Strategic Bonus Agreements") with Andrew G. Sculley, Amalkumar Ghosh and Jeffrey P. Lucas (each, an "Recipient"). The Strategic Bonus Agreements provide that, in the event of a Change in Control (as defined in the Strategic Bonus Agreements), which definition requires that the parties enter into a definitive agreement with respect to the Change in Control and that the Change in Control close on or before December 31, 2019, the Recipient will be entitled to

[Table of Contents](#)

receive a cash bonus equal to \$200,000, if (i) the Recipient remains continuously employed by us through the date that is 120 days after the closing of the Change in Control (the “Change in Control Bonus Date”) or (ii) the Recipient experiences a Terminating Event (as defined below and in the Strategic Bonus Agreements) within 30 days prior to but in connection with the Change in Control or following the Change in Control but prior to the Change in Control Bonus Date, provided that, the Recipient enters into and complies with a separation and release agreement in a form provided by us. A “Terminating Event” will be deemed to have occurred under the Strategic Bonus Agreements if the Recipient’s employment with us is terminated (i) by us other than for Cause (as defined in the Strategic Bonus Agreements), (ii) by the Recipient for Good Reason (as defined in the Strategic Bonus Agreements), (iii) due to the Recipient’s Disability (as defined in the Strategic Bonus Agreements), or (iv) due to the Recipient’s death.

The foregoing description is a summary of the Strategic Bonus Agreements and should be read in conjunction with the full text of the form of Strategic Bonus Agreement which is attached to this Amendment No. 1 as Exhibit 10.2 and is incorporated herein by reference.

ITEM 13.**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE**

At the beginning of each calendar year, each member of our Board of Directors and each executive officer is required to complete an extensive questionnaire that we utilize when preparing our annual proxy statement, as well as our Annual Report on Form 10-K and other SEC filings. The purpose of the questionnaire is to obtain information from directors and executive officers to verify disclosures about them that are required to be made in these documents. Regarding related person transactions, the questionnaire serves two purposes: first, to remind each executive officer and director of their obligation to disclose any related person transactions in which they have or will have a direct or indirect material interest (or a transaction in which their family members or entities in which they hold an interest have a material interest) and in which we participate that in the aggregate exceed \$120,000 (“related person transaction”) that might arise in the upcoming year; and second, to ensure disclosure of any related person transaction that is currently proposed or that occurred since the beginning of the preceding year. When completing the questionnaire, each director and executive officer is required to report any such transaction, as well as any payments (including any non-cash payment) by anyone other than the Company or its subsidiaries for services performed for the Company or its subsidiaries. If a reported or proposed related person transaction is identified, the Audit Committee will review the relevant facts and circumstances, including if the transaction is on terms comparable to those that could be obtained in arm’s length dealings with an unrelated third party and the extent of the related person’s interest in the transaction, take into account our Code of Business Conduct, and either approve, ratify or disapprove the related person transaction. The Audit Committee will also review the material terms of any agreements or arrangements between a director and any third party relating to compensation for services performed for the Company or its subsidiaries and direct that such arrangements be disclosed in the Company’s annual proxy materials or other public reports as appropriate.

At no time during 2017 or 2018, with the exception of the unsecured debt financing arrangement described below, has any executive officer, director or any member of these individuals’ immediate families, any corporation or organization with whom any of these individuals is an affiliate or any trust or estate in which any of these individuals serves as a trustee or in a similar capacity or has a substantial beneficial interest, been indebted to the Company or been involved in any transaction in which the amount exceeded \$120,000 and such person had a direct or indirect material interest.

On March 24, 2017, the Company entered into an unsecured debt financing arrangement (the “Line Letter Agreement”) with our largest stockholder, Stillwater Trust LLC (“Stillwater”). Pursuant to the Line Letter Agreement, the Company may borrow up to \$2 million for general working capital purposes and up to an additional \$3 million should the Company’s primary lender not provide borrowing availability under its normal terms and conditions (the “Line”). This agreement expired on May 23, 2017 upon the completion of a qualifying financing.

As additional consideration for the Line, the Company paid Stillwater a non-refundable origination fee of \$50,000 and issued warrants to Stillwater to purchase up to 100,000 shares of the Company’s common stock at an exercise price of \$2.25 per

share, the closing market price of the Company's common stock on the date the arrangement was executed.

Director Independence

The Board of Directors has determined that each of our current directors, except for Mr. Sculley, is an "independent director" as that term is defined in the listing standards of the NYSE American, LLC. The Board of Directors has also determined that each member of the Audit Committee, Compensation Committee and Governance and Nominating Committee meets the independence standards applicable to those committees prescribed by the NYSE American, LLC and the SEC. In making this decision, the Board considered all relationships between the Company and the directors. The Board determined each such relationship, and the aggregate of such relationships, to be immaterial to the applicable director's ability to exercise independent judgment.

STRATEGIC BONUS AGREEMENT

This Strategic Bonus Agreement (“Agreement”) is made as of the _____ day of April, 2019 by and between eMagin Corporation, a Delaware corporation (the “Company”), and _____ (the “Employee”).

1. **Purpose.** The Company considers it essential to the best interests of its stockholders to promote and preserve the continuous employment of key management personnel. The Board of Directors of the Company (the “Board”) recognizes that, as is the case with many corporations, the possibility of a Change in Control (as defined in Section 2 hereof) exists and that such possibility, and the uncertainty and questions that it may raise among management, may result in the departure or distraction of key management personnel to the detriment of the Company and its stockholders. Therefore, the Board has determined that appropriate steps should be taken to reinforce and encourage the continued attention and dedication of members of the Company’s key management, including the Employee, to their assigned duties without distraction in the face of potentially disturbing circumstances arising from the possibility of a Change in Control. Nothing in this Agreement shall be construed as creating an express or implied contract of employment and, except as otherwise agreed in writing between the Employee and the Company, the Employee shall not have any right to be retained in the employ of the Company.

2. **Change in Control.** A “Change in Control” shall be deemed to have occurred upon the occurrence of any one of the following events, provided that such event closes on or before December 31, 2019:

(a) any “person,” as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the “Act”) (other than the Company, any of its subsidiaries, or any trustee, fiduciary or other person or entity holding securities under any employee benefit plan or trust of the Company or any of its subsidiaries), together with all “affiliates” and “associates” (as such terms are defined in Rule 12b-2 under the Act) of such person, shall become the “beneficial owner” (as such term is defined in Rule 13d-3 under the Act), directly or indirectly, of securities of the Company representing 50 percent or more of the combined voting power of the Company’s then outstanding securities having the right to vote in an election of the Board (“Voting Securities”) (in such case other than as a result of an acquisition of securities directly from the Company); or

(b) the consummation of (i) any consolidation or merger of the Company where the stockholders of the Company, immediately prior to the consolidation or merger, would not, immediately after the consolidation or merger, beneficially own (as such term is defined in Rule 13d-3 under the Act), directly or indirectly, shares representing in the aggregate more than 50 percent of the voting shares of the Company issuing cash or securities in the consolidation or merger (or of its ultimate parent corporation, if any), or (ii) any sale or other transfer (in one transaction or a series of transactions contemplated or arranged by any party as a single plan) of all or substantially all of the assets of the Company.

Notwithstanding the foregoing, a “Change in Control” shall not be deemed to have occurred for purposes of the foregoing clause (a) (i) solely as the result of an acquisition of securities by the Company that, by reducing the number of shares of Voting Securities outstanding, increases the proportionate number of shares of Voting Securities beneficially owned by any person to 50 percent or more of the combined voting power of all then outstanding Voting Securities; provided, however, that if any person referred to in this sentence shall thereafter become the beneficial owner of any additional shares of Voting Securities (other than pursuant to a stock split, stock dividend, or similar transaction or as a result of an acquisition of securities directly from the Company) and immediately thereafter beneficially owns 50 percent or more of the combined voting power of all then outstanding Voting Securities, then a “Change in Control” shall be deemed to have occurred for purposes of the foregoing clause (a); and/or

(ii) solely as a result of a transfer of securities of the Company by Stillwater Trust LLC to any of its Affiliates. For the purposes of this Section 2, “Affiliates” shall mean, with respect to Stillwater Trust LLC, any person and/or entity that directly, or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with Stillwater Trust LLC, as determined immediately prior to the event that would otherwise constitute a Change in Control.

3. Terminating Event.

A “Terminating Event” shall mean any of the events provided in this Section 3:

(a) Termination by the Company. Termination by the Company of the Employee’s employment with the Company for any reason other than for Cause, death or Disability. For purposes of this Agreement, “Cause” shall mean, as determined by the Board in good faith:

(i) the Employee’s failure to devote substantially all of Employee’s full professional time, attention, energies, and abilities to Employee’s employment duties for the Company, which failure is not cured after the Company provides the Employee with notice of the failure and a reasonable opportunity to cure it;

(ii) the Employee’s inducement of any customer, consultant, employee, or supplier of the Company to unreasonably breach any contract with the Company or cease its business relationship with the Company;

(iii) the Employee’s willful, deliberate, and persistent failure to reasonably perform the duties and obligations of the Employee’s employment which are not remedied after the Company provides the Employee with notice of the failure and a reasonable opportunity to cure it;

(iv) an act or acts of dishonesty undertaken by the Employee resulting in substantial personal gain by the Employee at the expense of the Company;

(v) the Employee’s material breach of a fiduciary or contractual duty to the Company;

(vi) the Employee’s commission of a felony; or

(vii) the Employee's commission of an act that results in material long term harm to the goodwill or reputation of the Company.

A Terminating Event shall not be deemed to have occurred pursuant to this Section 3(a) solely as a result of the Employee being an employee of any direct or indirect successor to the business or assets of the Company, rather than continuing as an employee of the Company following a Change in Control.

(b) Termination by the Employee for Good Reason. Termination by the Employee of the Employee's employment with the Company for Good Reason. For purposes of this Agreement, "Good Reason" shall mean that the Employee has complied with the "Good Reason Process" (hereinafter defined) following, the occurrence of any of the following events:

(i) any significant adverse change in the Employee's title, or position, or duties and responsibilities not initiated, or voluntarily agreed to, by the Employee;

(ii) any material involuntary decrease in base salary (other than any which may be assessed on a percentage basis to the Company as a whole); or

(iii) any material breach of this Agreement by the Company.

"Good Reason Process" shall mean that (i) the Employee reasonably determines in good faith that a "Good Reason" condition has occurred; (ii) the Employee notifies the Company in writing of the first occurrence of the Good Reason condition within 60 days of the first occurrence of such condition; (iii) the Employee cooperates in good faith with the Company's efforts, for a period not less than 30 days following such notice (the "Cure Period"), to remedy the condition; (iv) notwithstanding such efforts, the Good Reason condition continues to exist; and (v) the Employee terminates his employment within 60 days after the end of the Cure Period. If the Company cures the Good Reason condition during the Cure Period, Good Reason shall be deemed not to have occurred.

(c) Termination due to Disability. Termination of the Employee's employment with the Company due to the Employee's Disability. For purposes hereof, the Employee will be considered "Disabled" if, as a result of the Employee's incapacity due to physical or mental illness, the Employee shall have been absent from his duties to the Company on a full-time basis for 180 calendar days in the aggregate in any 12-month period.

(d) Termination of the Employee's employment with the Company due to the Employee's death.

4. Change in Control Bonus. The Employee will be eligible to receive a cash bonus equal to \$ (the "Change in Control Bonus") in the event that the Employee (i) remains continuously employed by the Company or a successor entity through the date that is 120 days after the closing of a Change in Control (the "Change in Control Bonus Date") or (ii) experiences a Terminating Event (A) within 30 days prior to but in connection with the Change in Control or (B) following the Change in Control but prior to the Change in Control Bonus Date, provided that, with respect to clause (ii), the Employee enters into and complies with a separation and release agreement in a form provided by the Company (a "Release") within the timeframe set

forth in the Release but in no event more than 60 days after the Date of Termination. The Change in Control Bonus, if earned, shall be paid to the Employee (or his or her legal representative in the event of the Employee's death) in one lump-sum payment within 60 days of the Change in Control Bonus Date or the Date of Termination, as applicable; provided, however, that if the 60-day period begins in one calendar year and ends in a second calendar year, such amounts shall be paid in the second calendar year by the last day of such 60-day period.

5. Additional Limitation.

(a) Anything in this Agreement to the contrary notwithstanding, in the event that the amount of any compensation, payment or distribution by the Company to or for the benefit of the Employee, whether paid or payable or distributed or distributable pursuant to the terms of this Agreement or otherwise, calculated in a manner consistent with Section 280G of the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable regulations thereunder (the "Aggregate Payments"), would be subject to the excise tax imposed by Section 4999 of the Code, then the Aggregate Payments shall be reduced (but not below zero) so that the sum of all of the Aggregate Payments shall be \$1.00 less than the amount at which the Employee becomes subject to the excise tax imposed by Section 4999 of the Code; provided that such reduction shall only occur if it would result in the Employee receiving a higher After Tax Amount (as defined below) than the Employee would receive if the Aggregate Payments were not subject to such reduction. In such event, the Aggregate Payments shall be reduced in the following order, in each case, in reverse chronological order beginning with the Aggregate Payments that are to be paid the furthest in time from consummation of the transaction that is subject to Section 280G of the Code: (1) cash payments not subject to Section 409A of the Code; (2) cash payments subject to Section 409A of the Code; (3) equity-based payments and acceleration; and (4) non-cash forms of benefits; provided that in the case of all the foregoing Aggregate Payments all amounts or payments that are not subject to calculation under Treas. Reg. §1.280G-1, Q&A-24(b) or (c) shall be reduced before any amounts that are subject to calculation under Treas. Reg. §1.280G-1, Q&A-24(b) or (c).

(b) For purposes of this Section 5, the "After Tax Amount" means the amount of the Aggregate Payments less all federal, state, and local income, excise and employment taxes imposed on the Employee as a result of the Employee's receipt of the Aggregate Payments. For purposes of determining the After Tax Amount, the Employee shall be deemed to pay federal income taxes at the highest marginal rate of federal income taxation applicable to individuals for the calendar year in which the determination is to be made, and state and local income taxes at the highest marginal rates of individual taxation in each applicable state and locality, net of the maximum reduction in federal income taxes which could be obtained from deduction of such state and local taxes.

(c) The determination as to whether a reduction in the Aggregate Payments shall be made pursuant to Section 5(a) shall be made by a nationally recognized accounting firm selected by the Company (the "Accounting Firm"), which shall provide detailed supporting calculations both to the Company and the Employee within 15 business days of the Date of Termination, if applicable, or at such earlier time as is reasonably requested by the Company or the Employee. Any determination by the Accounting Firm shall be binding upon the Company and the Employee.

6. Section 409A.

(a) Anything in this Agreement to the contrary notwithstanding, if at the time of the Employee's "separation from service" within the meaning of Section 409A of the Code, the Company determines that the Employee is a "specified employee" within the meaning of Section 409A(a)(2)(B)(i) of the Code, then to the extent any payment or benefit that the Employee becomes entitled to under this Agreement on account of the Employee's separation from service would be considered deferred compensation subject to the 20 percent additional tax imposed pursuant to Section 409A(a) of the Code as a result of the application of Section 409A(a)(2)(B)(i) of the Code, such payment shall not be payable and such benefit shall not be provided until the date that is the earlier of (A) six months and one day after the Employee's separation from service, or (B) the Employee's death.

(b) The parties intend that this Agreement will be administered in accordance with Section 409A of the Code. To the extent that any provision of this Agreement is ambiguous as to its compliance with Section 409A of the Code, the provision shall be read in such a manner so that all payments hereunder comply with Section 409A of the Code. The parties agree that this Agreement may be amended, as reasonably requested by either party, and as may be necessary to fully comply with Section 409A of the Code and all related rules and regulations in order to preserve the payments and benefits provided hereunder without additional cost to either party.

(c) To the extent that any payment or benefit described in this Agreement constitutes "non-qualified deferred compensation" under Section 409A of the Code, and to the extent that such payment or benefit is payable upon the Employee's termination of employment, then such payments or benefits shall be payable only upon the Employee's "separation from service." The determination of whether and when a separation from service has occurred shall be made in accordance with the presumptions set forth in Treasury Regulation Section 1.409A-1(h).

(d) The Company makes no representation or warranty and shall have no liability to the Employee or any other person if any provisions of this Agreement are determined to constitute deferred compensation subject to Section 409A of the Code but do not satisfy an exemption from, or the conditions of, such Section.

7. Term. This Agreement shall take effect on the date first set forth above and shall terminate upon the earliest of (a) the termination of the Employee's employment for any reason more than 30 days prior to a Change in Control, (b) the termination of the Employee's employment with the Company within 30 days prior to or 120 days after a Change in Control for any reason other than the occurrence of a Terminating Event, or (c) the date on which all amounts payable under this Agreement have been paid.

8. Withholding. All payments made by the Company to the Employee under this Agreement shall be net of any tax or other amounts required to be withheld by the Company under applicable law.

9. Notice and Date of Termination.

(a) Notice of Termination. After a Change in Control and during the term of this Agreement, any purported termination of the Employee's employment (other than by reason of death) shall be communicated by written Notice of Termination from one party hereto to the other party hereto in accordance with this Section 9 and Section 15. For purposes of this Agreement, a "Notice of Termination" shall mean a notice which shall indicate the specific termination provision in this Agreement relied upon.

(b) Date of Termination. "Date of Termination" shall mean: (i) if the Employee's employment is terminated by his death, the date of his death; (ii) if the Employee's employment is terminated on account of Employee's Disability or by the Company with or without Cause, the date on which Notice of Termination is given; (iii) if the Employee's employment is terminated by the Employee without Good Reason, 30 days after the date on which a Notice of Termination is given, and (iv) if the Employee's employment is terminated by the Employee with Good Reason, the date on which a Notice of Termination is given after the end of the Cure Period. Notwithstanding the foregoing, in the event that the Employee gives a Notice of Termination to the Company, the Company may unilaterally accelerate the Date of Termination and such acceleration shall not result in a termination by the Company for purposes of this Agreement.

10. Consent to Jurisdiction. The parties hereby consent to the jurisdiction of the courts of the State of New York and the United States District Court for the Southern District of New York. Accordingly, with respect to any such court action, the Employee (a) submits to the personal jurisdiction of such courts; (b) consents to service of process; and (c) waives any other requirement (whether imposed by statute, rule of court, or otherwise) with respect to personal jurisdiction or service of process.

11. Integration. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes in all respects all prior agreements between the parties concerning such subject matter; provided, however, that this Agreement in no way modifies, amends or supersedes that certain the Change in Control Agreement by and between the Employee and the Company, dated as of November 8, 2017 (the "Change in Control Agreement") and that such Change in Control Agreement remains in effect.

12. Successor to the Employee. This Agreement shall inure to the benefit of and be enforceable by the Employee's personal representatives, executors, administrators, heirs, distributees, devisees and legatees. In the event of the Employee's death after a Terminating Event but prior to the completion by the Company of all payments due him under this Agreement, the Company shall continue such payments to the Employee's beneficiary designated in writing to the Company prior to his death (or to his estate, if the Employee fails to make such designation).

13. Enforceability. If any portion or provision of this Agreement (including, without limitation, any portion or provision of any Section of this Agreement) shall to any extent be declared illegal or unenforceable by a court of competent jurisdiction, then the remainder of this Agreement, or the application of such portion or provision in circumstances other than those as

to which it is so declared illegal or unenforceable, shall not be affected thereby, and each portion and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

14. Waiver. No waiver of any provision hereof shall be effective unless made in writing and signed by the waiving party. The failure of any party to require the performance of any term or obligation of this Agreement, or the waiver by any party of any breach of this Agreement, shall not prevent any subsequent enforcement of such term or obligation or be deemed a waiver of any subsequent breach.

15. Notices. Any notices, requests, demands and other communications provided for by this Agreement shall be sufficient if in writing and delivered in person or sent by a nationally recognized overnight carrier service or by registered or certified mail, postage prepaid, return receipt requested, to the Employee at the last address the Employee has filed in writing with the Company, or to the Company at its main office, attention of the Board of Directors.

16. Amendment. This Agreement may be amended or modified only by a written instrument signed by the Employee and by a duly authorized representative of the Company.

17. Effect on Other Plans. An election by the Employee to resign after a Change in Control under the provisions of this Agreement shall not be deemed a voluntary termination of employment by the Employee for the purpose of interpreting the provisions of any of the Company's benefit plans, programs or policies. Nothing in this Agreement shall be construed to limit the rights of the Employee under the Company's benefit plans, programs or policies.

18. Governing Law. This is a New York contract and shall be construed under and be governed in all respects by the laws of the State of New York, without giving effect to the conflict of laws principles of such State. With respect to any disputes concerning federal law, such disputes shall be determined in accordance with the law as it would be interpreted and applied by the United States Court of Appeals for the Second Circuit.

19. Successor to Company. The Company shall require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Company expressly to assume and agree to perform this Agreement to the same extent that the Company would be required to perform it if no succession had taken place. Failure of the Company to obtain an assumption of this Agreement at or prior to the effectiveness of any succession shall be a material breach of this Agreement.

20. Gender Neutral. Wherever used herein, a pronoun in the masculine gender shall be considered as including the feminine gender unless the context clearly indicates otherwise.

21. Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be taken to be an original; but such counterparts shall together constitute one and the same document.

IN WITNESS WHEREOF, the parties have executed this Agreement effective on the date and year first above written.
